GRAAVAA

is a reputed Indian brand name that offers an exclusive range of the best quality natural stones from around the world. We...

- Store the widest collection of natural stones under one roof
- Constantly introduce new and unique materials to our clients from around the world
- Have in-depth expertise on stones, formation, chemical composition and physical attributes - from quarry to floor

- 'Guarantee Source': when you buy an Italian stone from us, it will be Italian
- 'Guarantee Honesty': MRP, barcoded, country of origin, thickness and quality
- Bring the product directly from source to client - no middlemen, all company owned showrooms
- Specify product details such as type, measurement and thickness embedded in the barcode on the stone, no person dependent discretion or deviation, a first in India
- Have supplied stone to a vast clientele. We can handle vast projects such as an airport, corporate offices and bespoke homes
- Have in-house design team
- Thrive on customer service and satisfaction by providing sound advice on application, installation methods and new trends in the industry
