

A stony tale

Pearl Mineral recently launched a retail stone store 'Graavaa' in the city. Graavaa offers a wide range of natural stones from across the world, to help make a beautiful home.

Stones like granite, marble, onyx, travertine, sandstone, limestone, and

semi-precious stones are the main offering here. These natural stones are from Italy, Turkey, Brazil, Madagascar, Spain etc.

An expert team of geologists provide details of the stones in terms of quality, colour, dimensions etc.

So find the right stones for your house at Graavaa.
